CALYPSO

CALYPSO

The CALYPSO collection redefines outdoor elegance, drawing its main inspiration from the calm, luminosity, and timeless elegance of Mediterranean coasts and villas.

The design is a masterful fusion of contrasting forms: the organic, enveloping curvature of the seating offers both visual warmth and a handcrafted touch, while the minimalist, linear geometry of the base ensures modern stability. This combination results in a perfect balance between visual comfort and formal rigor.

The generous seating, characterized by soft and well-proportioned lines, features a distinctive woven texture—the signature element that introduces a sophisticated, artisanal effect. Resting on a durable structure, the pieces are completed by neutral, soothing cushions and complemented by oval coffee tables whose bases echo the woven detailing and support a teak or stone-effect top.

The collection creates an atmosphere of discreet and sophisticated luxury, ideal for transforming any scenic terrace or exclusive pool area.

Inspired by Mediterranean serenity,
CALYPSO blends organic curves, woven textures,
and refined geometry into timeless outdoor elegance.

A harmonious blend of organic curves and refined geometry, balancing comfort with architectural elegance.
